

## **ACCEPTABLE USE AGREEMENT**

- Petroleum Data Library (PDL) materials and/or data (products) may only be borrowed or reproduced for in-house or personal use. To protect the library and the value of our products, only the member checking out or downloading the products shall have use of them (honor system). Downloads are included in your monthly fee. Bulk downloading is against the library's policy and each member is allotted a maximum download quota of 200/month; 100/day. There is an additional restriction of 20/day for mud logs, core, or DST reports (honor system). An exception is hereby granted for the inclusion of any products used in the preparation of a prospect to be shown to a third party, which shall not be included as part of the proscription against commercial reproduction (see below).
- Reproduction of any PDL products for subsequent commercial resale or other for-profit use is strictly prohibited. Violation of this policy will result in an immediate loss of membership privileges. NO TOLERANCE OR EXCEPTIONS.
- PDL retains all right, title, and interest to the products. It is understood and agreed that the undersigned (Member) is only borrowing for internal purposes.
- The information provided by PDL is compiled from multiple sources and errors, gaps, and inaccuracies may exist. The products are provided on an "as is with all faults" basis without warranties of any kind.
- PDL does not represent or warrant that the products will meet Member's requirements or that they are suitable for Member's needs or that the data or results are correct, accurate, timely, complete, suitable, or reliable.
- Access to PDL products will include the both the use of the library's onsite facility and the online website database. Membership is per user and access may not be shared or transferred.
